E VIDEO CLIP SUBMISSION

You are required to submit a piece-to-camera[#] video clip as part of your application for the Overseas Student Attachment Programme 2020.

- The video should be in .mp4 or .wmv format, no more than 2 minutes and file size within 200MB.
- The video clip should show
 - a self-introduction;
 - what your field of interest in Science is and why;
 - what you hope to learn from the attachment programme;
 - brief descriptions of any previous research experience.
- Your audio recording must be clear; your voice must not be drowned by background noise or music. Avoid adding background scores to the video.
- Save the file in the following format: NAME_SCHOOL.mp4/wmv
- Schools are required to set an internal deadline for the students, to ensure that submission to designated folder in Google Drive by **14 Feb 2020, 10 am**, through Science HOD.

[#]A piece-to-camera video clip is one in which you speak directly to the camera addressing your audience.

F SUPPORTING DOCUMENTS

Please attach **all** supporting documents with this form before submission. The type of supporting documents included should be clearly indicated in the table below.

| Type of Supporting Document (certified true copies) | Please tick if included. |
|--|--------------------------|
| GCE 'O' level examination results (if applicable) | |
| Secondary 4 examination results (for IP students only) | |
| Secondary School testimonial and CCA record | |

This part of the application should be submitted through the Junior College / Centralised Institute / IP school, and reach us by **14 Feb 2020**.
