13 March 2020

Dear Parent(s) / Guardian(s),

## **1. Current Novel Coronavirus Situation**

We would like to thank you for completing the travel declaration for the March holidays; this would be helpful in safeguarding the health of all students. If your children / wards do not feel well during or after the school holidays, they should see a doctor and stay at home for the full duration of the MC. They can seek clarification about catching up with their work through their respective tutors; no student would be left behind because of medical leave. Let us exercise social responsibility and help to provide a safe and healthy learning environment.

## **2. 2019 A-Level Results**

On 21 February, the graduates of 2019 returned to the college to receive their results. They have performed commendably in the 2019 A-level examinations with 4 in 10 students scoring at least 3 H2 distinctions while 1 in 4 attained distinctions in all H2 subjects.

We would like to highlight 2 NYJCians: Marcellinus Jericho and Karin Chan. Jericho, the vice-captain of Football, is the first DSA student in our college to score a total of 9 distinctions, making him the second student in NY history to have done so. Karin, despite the challenges she faced as a result of her medical conditions, has obtained distinctions in all her subjects. Both of them have exemplified our college value of drive.

Notwithstanding their substantial involvement in their CCAs and leadership roles, our student leaders and DSA students have put up a spectacular showing at the 2019 A-level exams. We have shared, through our official Facebook page (<https://www.facebook.com/Nanyangjc/>), some of these students' reflections on their journey.
