

南洋初級學院  
NANYANG  
JUNIOR COLLEGE

06 April 2020

Dear parents/guardians,

In line with the Multi-Ministry Taskforce's latest efforts to further enhance safe distancing measures, schools will step up their safe distancing measures. **From 08 April 2020, all MOE schools will shift to full Home-Based Learning (HBL) till 04 May 2020.**

During the period of full HBL, the college will provide instructions and support for your child to access a range of resources so that learning can continue. If your child needs learning or emotional support, he/she can approach his/her Civics Tutor and other school personnel such as the school counsellor, who will continue to work from home or from college. Our teachers will also be in regular contact with your child.

National examinations, including the GCE A-Level Mother Tongue Language Oral Examinations in July, Year-End H1 Project Work as well as Practical and Written Examinations will proceed as planned and with the necessary precautionary measures in place.

Our teachers will continue to monitor the progress of your child through online lessons, assignments, and assessments.

Please ensure that your child stays at home and continues to observe good hygiene practices such as washing their hands frequently with soap. If he/she feels unwell, please seek medical attention promptly. Please inform his/her Civics Tutor if he/she displays any fever or flu-like symptoms, is on medical leave or has any household members placed on Leave of Absence, Stay-Home Notice or Quarantine Order.

We plan to resume school on 05 May 2020. MOE will continue to closely monitor the COVID-19 situation to assess if HBL needs to be extended. We urge you to rely on official sources of information and not to circulate any unconfirmed information. If you have any further queries, please contact the college at [nyjc@moe.edu.sg](mailto:nyjc@moe.edu.sg) or 6284 2281.

Thank you and keep safe!

Yours faithfully,

Mr Low Chun Meng  
Principal
