Dear NYJCian,

## RELEASE OF 2019 SINGAPORE-CAMBRIDGE GCE A-LEVEL EXAMINATION RESULTS

The release of the 2019 GCE A-Level examination results will take place on 21 February 2020 (Friday) at 2.30pm. In view of the escalation to DORSCON Orange, the Ministry of Education and Singapore Examinations and Assessment Board (SEAB) are stepping up precautionary measures to minimise the potential risks from large gatherings to safeguard your health and well-being.

2. Please read the following information which will detail how you will be receiving your results.

### Collection of Examination Results

3. If you are well, you may collect your results slip, certificates and college annual (if applicable) in college from 2.30pm on 21 February 2020. In line with the stepped up measures that have been implemented in all schools, please:

- a. Declare your travel history at <https://go.gov.sg/2019declare> by 19 February 2020 2359 hour;
- b. Enter the college via the main entrance from 1.30 pm on 21 February as all side gates will be closed; and
- c. Note that your temperature will be taken upon arrival at the guard post.

4. You will be collecting results in a classroom instead of the school hall. You can check the class allocation on our website from 20 February 2020. Alternatively, you can also access your results online if you prefer not to come to the college.

5. If you are unwell, on Leave of Absence (LOA) or Quarantine Order (QO) as of 21 February 2020, have recently travelled to Mainland China, or affected by travel restrictions into Singapore, please do not come to the school. You can access your results online.

6. If you are collecting your results slip in college and accompanied by family members, **please note that they will not be allowed into the college premises in view of the current situation. Only candidates collecting their results will be allowed entry into the college.**

7. If you intend to authorize a proxy to collect your results slip on your behalf, note that he/she can only collect the results slip from the General Office **from 24 February 2020**. The authorization letter can be found in the attachment below. Please ensure that the letter is duly filled and signed. Your proxy will also have to bring along his/her identification card for verification purposes.

8. If you are not collecting your results in the college, arrangements will be made for you to receive the hardcopy results slip, certificates and college annual (if applicable).

### **Viewing of Examination Results Online**

If you are not eligible for SingPass (e.g., International students), SEAB will provide an email with one-time login details by 19 February 2020.

### **Digital Certificate for Application to Local Autonomous Universities**

11. Starting from this year, all A-Level candidates, who are Singapore Citizens and Singapore Permanent Residents, will receive digital certificates in OpenCerts format. 13. Applications for admissions and/or scholarships to the local Autonomous Universities (AUs) can be done online. All school candidates who apply to the local AUs online **do not need** to submit a copy of their A-Level certificates. Due to the Covid-2019 situation, the local AUs will also make alternative arrangements for any assessment for admissions if applicants cannot be physically present.
