JUNIOR COLLEGE

12 January 2020

Dear Parents/Guardians,

Happy New Year! Welcome to 2020.

### **Partnership with Parents/Guardians**

The college appreciates the support from parents/guardians in 2019. We would like to take the opportunity to thank in particular the parents who have volunteered in the different college programmes, whether it be treating our students to ice cream during Night Study Programme, putting up well-wishes for the JC2 students in time for the Graduation Ceremony, conducting life skills workshops and sharing during our annual Higher Education & Career Seminar and also offering internship opportunities during the end-of-year vacation. We look forward to your continued support in enhancing our students' learning and development this year.

### **Communication channels**

We will continue with the various modes of communication used last year - circulars, school website and Parents Gateway. Our teachers may also contact you directly for matters pertaining to your child/ward. Please inform your child's/ward's civics tutor if you would like to update your contact information.

### **Key Events for January and February**

The academic year started with 4 days of tests, and will be followed closely by the preparation for Open House 2020 on 14 January (Tuesday). Orientation 2020 will take place after the Lunar New Year holidays to welcome the new cohort of NYJCians. We are also organising EDspiration - a Higher Education and Career Day - for JC2 students on 17 February (Monday) and parents/guardians are invited to join us. We have invited the directors of Admission Office from different local universities to have a dialogue with our parents the evening as well. More details will be given to you soon.

For an idea of the events/activities for the rest of the year, you may refer to the [college calendar](#) posted on our college website. The college also updates its Facebook page regularly, so do follow <http://facebook.com/Nanyangjc> if you have not already done so.
